"Bon Chovy" is a covered 23-foot Grady White Gulfstream. It is one of the best fishing boats of its size on the water. The ideal layout of the Grady White maximizes deck space for comfort and fishing. Bon Chovy fishes 1-5 people. The legendary hull of the Grady White gets guests to the grounds smoothly, and safely. The boat is powered by a 225 horsepower Yamaha outboard motor.

With a cruising speed of 30 knots we get to the fishing grounds quickly, maximizing fishing time. With our speed we will go that extra mile to get you to where the fish are! While fishing we utilize our quiet 8 hp four stroke trolling motor. The boat is equipped with the latest in fishing, navigation and safety gear. The cabin has washroom facilities.
