The vessel, just recently renovated can accommodate in her spacious salons, a cocktail reception for 400 or 300 for a formal dinner. A live band or disc jockey can be arranged for dancing on either of the two dance floors.

We can cater any special event on board whether it is a corporate dinner cruise, wedding or birthday party. The *Britannia's* captain and crew will ensure that your guest's experience is one they will remember for years to come.
